SuperPaint®

Exterior Acrylic Latex

Features performance you can count on

Formulated with Advanced Resin Technology to go on smooth to provide outstanding performance.

Protects against the elements

Whether it's cold and icy or hot and humid, this formula resists peeling and blistering.

Delivers your desired look

Available in flat, low lustre, satin, gloss and high gloss finishes in a complete range of attractive colors.

Keeps exteriors looking fresh

Excellent dirt and mildew resistance gives you a clean look that lasts.

Provides color freedom

Can be tinted in VinylSafe® paint colors, allowing customers to select from a limited number of darker colors formulated to resist warping or buckling.

(See VinylSafe® color palette.)
